It's actually a lot more fun to play against the other players. It's more like a poker club than a bar where you're making small talk with an attractive girl and she's trying to pick you up." – Matt "Mattress" Simpson ★★★★★"The best part of this app is the live chat. I love it." – John "That Guy" Smith ★★★★★"The app is hilarious. I like the game mode because I love poker and can't play it enough. The story line is great. The girls are hot and love poker." – Dan "The Man" ★★★★★" 82157476af
