(London original cast albums have existed since the early days of recording, however, and there are recordings in existence of excerpts from such shows as The Desert Song, Sunny, and Show Boat, all performed by their original London stage casts.. From the loose-limbed funk of 'Scratch' to a restless, understated version of their live standard 'Eleanor Rigby' (which they'd been performing live for over six years), the Crusaders displayed a command of R&B forms in a jazz context.. Another such example is Ethel Merman, who recorded virtually all of the songs that she made famous, even when there was no original Broadway cast album of a smash hit that she had starred in, as is the case with Girl Crazy, Panama Hattie, and Anything Goes.. However, early 'studio cast' albums were very different from those made today, or even those made from 1950 onward.. Scratch (disambiguation) Scratch is a free programming language and online community where you can create your own interactive stories, games, and animations..
